

REMARKS

The Final Office Action dated March 28, 2007, has been received and carefully noted. A full and complete response was filed June 27, 2007, and an Advisory Action was mailed July 16, 2007. The above amendments to the claims, and the following remarks, are submitted as a full and complete response thereto.

The Advisory Action indicated that the previously filed amendments placed the application in condition for allowance except with respect to claims 31-32, and that the previously filed amendments have been entered. The present amendment cancels claims 31-32 without prejudice or disclaimer. Accordingly, claims 12-30 and 33-37, all of the presently pending claims, are in condition for allowance, and timely allowance of the claims is respectfully requested.

If, for any reason, the Examiner determines that the application is not now in condition for allowance, it is respectfully requested that the Examiner contact, by telephone, Applicants' undersigned attorney at the indicated telephone number to arrange for an interview to expedite the disposition of this application.

In the event this paper is not being timely filed, the Applicants respectfully petition for an appropriate extension of time. Any fees for such an extension together with any additional fees may be charged to Counsel's Deposit Account 50-2222.

Respectfully submitted,

Peter Flanagan
